Leaders' Latest

September 2020

Newsletter Debut

Introducing the first edition of our corporate newsletter! This *Breaking Ground* email communication will provide you with bi-monthly updates on our 'Leaders' Latest' - including recent projects, industry articles, and insider facts to keep you informed.

Recent Project Highlights

WAHA / OILC - WAHA Field Hospital

Find out how Infrastructure Ontario and the Weeneebayko Area Health Authority responded to Ontario's state of emergency declaration with a pop-up rapid response hospital unit. In just two weeks, space at Northern College's Moosonee campus was converted and ready to support front line healthcare workers during the height of the COVID-19 pandemic.

OILC / RVH - Pandemic Response Unit

In just nine weeks, Infrastructure Ontario and the Royal Victoria Regional Health Centre worked alongside the project team to successfully construct a Pandemic Response Unit. This semi-permanent and reusable structure will serve as an extension of the existing hospital in Barrie, Ontario on an as needed basis.
